

Case number:	VJ-61/2008
Type of case:	concentration
Undertaking(s) concerned:	Chellomedia Programming BV and Hungarian TV channel Spektrum
Short description:	The Hungarian Competition Authority (GVH) announced that it had granted conditional approval to Chellomedia's acquisition of the Hungarian TV channel Spektrum TV. As the GVH found, serious changes would take place in the field of TV channel sales as a consequence of the transaction resulting in two of the three major educational series getting to the same group of undertakings.
Decision:	The GVH authorised the acquisition on condition that the acquirer guarantees third-party access to Spektrum TV until 31 July 2012.
Date:	6 August 2008
