^(b) The second sub-coloumns in italic present the accumulations.

(These are cases in which the decisions were based on more than one Article of the Competition Act. In order to avoid

2.4. Concentrations

(These are cases in which the decisions were based on more than one Article of the Competition Act. In order to avoid information-loss and accumulation, complex cases are represented in the table according to the most serious infringement involved. The other types of infringements are presented in italic, in the accumulation columns.

^(c) Formal decisions on the termination of proceedings in cases started ex officio.
